Re: Lab inspection (#1029, East Dundee)

Dear Mr. Prigge,

The inspection of your East Dundee facility, Lab # 1029, was completed on February 18, 2016 by representatives of the Illinois Department of Transportation. The Laboratory is approved for Aggregate, PCC and HMA Testing.

All tests shall be performed in accordance with the Department's current version of the Manual of Test Procedures for Materials. Any personnel performing these tests shall be appropriately trained and certified via State approved courses.

If you have any questions or need additional information, please contact Mr. Christopher Beckert, P.E., at (847) 705-4687.

Very truly yours,

John Fortmann, P.E.
Region One Engineer
